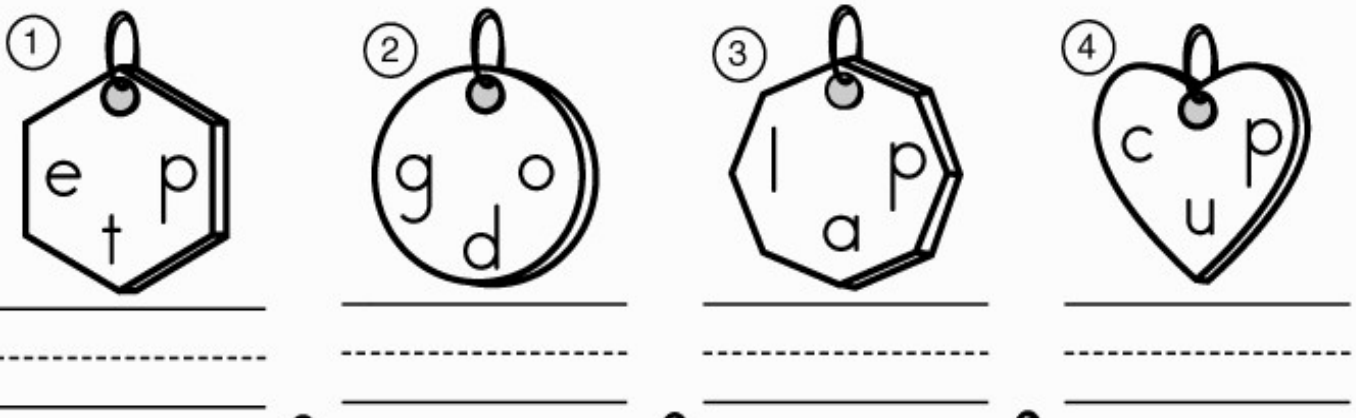
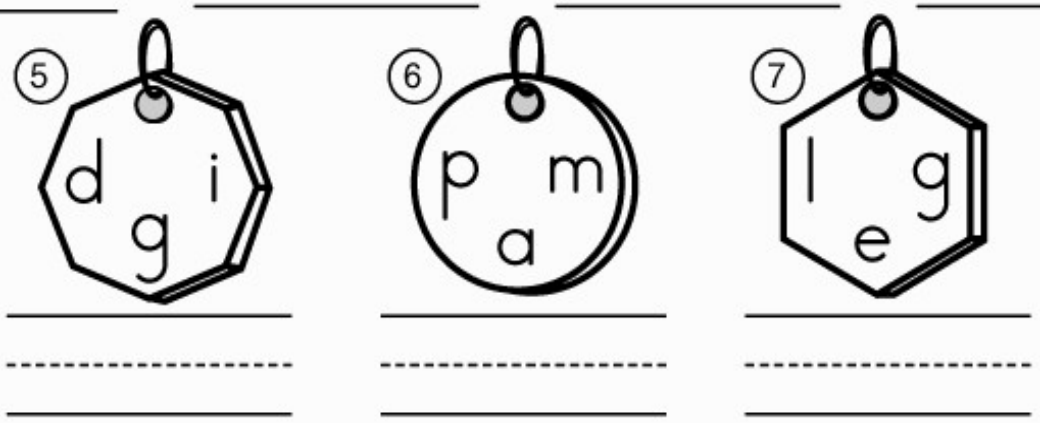
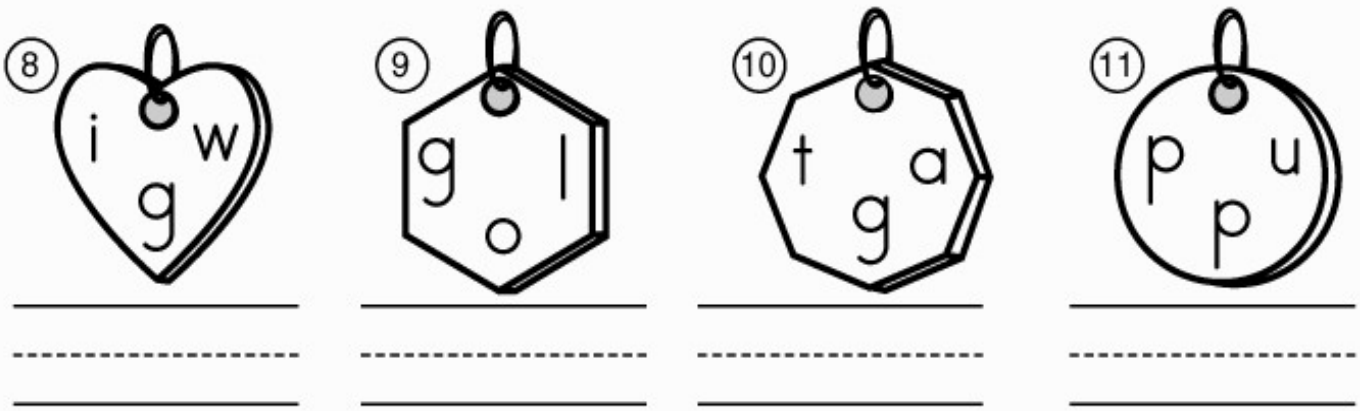
Dog Tag Words

Frankie's dog tag is missing. It says **tag**. Unscramble the dog tag words and write them on the lines. Then, color Frankie's dog tag red.







Let your child use magnetic letters to review words that have consonant-vowel-consonant patterns. Begin by placing a vowel (such as *i*) on the refrigerator or a metal cookie sheet. Then have your child place a consonant before and after the vowel to create as many words as he can, such as *bit, mix, fin,* and *hid*. Have your child record the words on a sheet of paper. (If you do not have magnetic letters, make letter cards from construction paper, and have your child arrange the cards to form c-v-c words.)
